
Learning Fellowship Collaboration

The Zonta Club of Milwaukee is pleased to invite you to this year's Area 2 Spring Workshop, focused on "**Advocating with Courage**".

- Learn from experienced advocates, including Sister Patricia Rogers, OP, Executive Director of Milwaukee's Dominican Center for Women
- See the results of Zonta International's service programs toward the elimination of obstetric fistula in Liberia and toward an HIV-free generation and effective prevention and response to gender-based violence in Rwanda
- Collaborate with fellow Zontians to define ways to take action for women in our communities

Zonta Vision

Zonta International envisions a world in which women's rights are recognized as human rights and every woman is able to achieve her full potential.

In such a world, women have access to all resources and are represented in decision making positions on an equal basis with men.

In such a world, no woman lives in fear of violence.

PROGRAM HIGHLIGHTS

Telling Your Story

Led by JoAnn Gruber-Hagen,
District 6 Advocacy Chair

Decision-makers' understanding of issues is heavily determined by what they hear about them. Zontians need to have their voices heard on issues that matter to us. This interactive experience will prepare you to "Tell Your Story" when you get home – in Zonta and in other parts of your life.

Are We Just Talking, or What?

Collaborate with Zontians across our Area on concrete actions we can take to advance the status of women. Discuss such questions as, "What does it mean to establish an equal playing ground?" "How can we change institutionalized attitudes toward women?" "How can we leverage our professional knowledge to assist women in our communities?" Be ready to brainstorm, and plan to walk away with new personal goals and Club action items.

Hear from Zonta leaders about the work Clubs are doing around the Midwest – and the world.
