THROUGH SERVICE & ADVOCACY

Hello Sisters!

It is that time of year again, where we prepare for our annual business meeting. As I was reviewing the annual report, it was so wonderful to read of the many accomplishments and more importantly the many people that our club has served over the past year. Whether it be a scholarship, a blanket, a Mother's Day meal, a book, an advocate, a remembrance, or a learning opportunity; I truly believe that this club has made the world a better place. Thank you to the many leaders who led the various initiatives and the many members who faithfully gave of yourself for another. You have demonstrated the beautiful mission of Zonta.

It is exciting to think about returning to in person meetings and having the opportunity to get to know our new members on a more personal level, as well as existing members whom we have all missed so much! I am looking forward to welcoming our new club and foundation board members and installing club board officers. I know you will all make our club and Zonta proud!

Karen

2022 Fashion Show Updates

The Fashion Show Committee will be meeting again on Monday, May 2nd at 6 pm via Zoom. If you are interested in joining the committee, please let Pam know. We can always use new members.

Save the Date Saturday, November 5, 2022, at the Marriott Milwaukee West 10 am to 1 pm. Let your friends and family know.

Our theme will be **Fall into Fashion: Build a Better World for Women and Girls**. We hope to have a new vendor this year. Additionally, the price of tickets will be increased this year due to the increase of food costs.

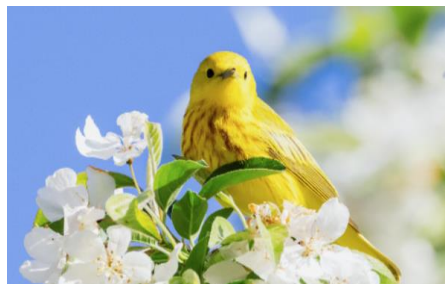

Please start thinking of businesses you can contact for corporate sponsorships. We hope to increase our net fundraising on this year's event and the easiest way to do that is to gain more sponsorships. Pam will be sending out a corporate sponsorship letter with levels of recognition form shortly. We will also hopefully supply a list we are working with, however please let us know if you have any other businesses you will contact. If you want the committee to contact, please let Carol Mangold know. Remember your dentist, accountant, financial planner, and anyone else that you do business with, including the company you work for, that might be willing to provide a sponsorship or Friend of Zonta donation.

7th Annual Zonta Says No to Violence Against Women Walk

Friday, October 7, 2022, has been confirmed as the date of our 7th Annual Zonta Says NO to Violence Against Women Walk, starting and ending at City Hall from 11:55 AM until 1 PM. We will be joined this year by the Zonta District 6 Board and hopefully other Zonta Club members who drive in a bit early for the District Conference that weekend. ***A great way to kick off Fall Conference!!***

We expect the entire Club to participate in recruiting other organizations to walk with us.

Please volunteer to make the initial contact with an agency/organization you know -- sign up using the contact list spreadsheet Donna Neal sent out by email after last month's meeting. If you lost it, please contact her. Happy Spring!

April 10th Update from Neu-Life

Ms. Tamesha is leading our book club for this semester. It is now back to in-person Thursdays from 6:00-7:00 pm. Fifteen teens are in the club, and they are reading a book called **Black Boy Joy** and it is 17 different short stories in the whole book. We continue to work on one short story a week, we anticipate using this book through the end of May.

We took the week of spring break off, and right now the biggest challenge we have is the teens finding the time to read between their other schoolwork. But we are moving along at a pace they can handle.

We currently have an Amazon wish list for the books we are seeking for the Book Club and Library. We currently have 28 total books on the wish list (a few titles needing multiple copies to fill out the library). We have been getting books in weekly from the wish list, mostly from Zonta Club members- we THANK YOU!

Spring workshop information is attached. This is an annual meeting of the clubs in District 6 Area 2. It is a great opportunity to meet other club members and learn more about Zonta.

Cheryl Lindberg, President of the Zonta Club of Belvidere, and I would like to invite you to attend our Area 2 Workshop on Saturday, May 14, 2022. It will be held at the Boone County Historical Museum in Belvidere, which is an added bonus.

We will have a continental breakfast available starting at 8:30 am, and the program will begin at 9:00 am and conclude by 2:00 pm. The museum is open until 3:00 pm, so you will still have time to browse around if you so desire.

We will hear from our District leaders and have updates on the clubs' activities, as well as hearing from the Boone County State's Attorney, Tricia Smith. You may notice that Club Presidents Reports are on the Agenda. Club Presidents should report on their club activities from the past year and upcoming activities, if known. Reports should be no longer than 5 minutes. We will also have two breakout sessions that will give you time to share ideas with Zontians from other clubs in the Area. You will have a chance to look at how your club could potentially expand some activities to maximize impact and best utilize club resources.

UN REPORT – Marge Holzbog

Adolescent Girls' Health and Protection in Peru – the latest report available

The Adolescent Girls' Health and Protection project in Ucayali and Huancavelica aims to improve the capacity of services to respond to the health needs of adolescents, especially girls, in a timely manner and prevent all kinds of violence in schools. Through the committed partnership with Zonta International, adolescents, especially girls, are accessing the critical health care services that support healthy growth and development.

Approximately 1 in 3 - adolescent girls and women in Huancavelica have been victims of violence by a male partner

Approximately 1 in 4 - adolescent girls and women in Ucayali have been victims of violence by a male partner

Results (January-July 2021)

Strengthened critical adolescent health care services impacted by COVID-19, reaching 8,319 adolescents (5,814 girls).

Launched the virtual phase of the in-service training program. Participants include health personnel from Ucayali and Huancavelica.

Trained 270 health personnel from Huancavelica on the technical guidelines for comprehensive adolescent healthcare in the context of COVID-19.

Finalized the technical document for the dissemination of rules and procedures to recognize cases of violence that can occur in a health facility.

Built the knowledge and skills of 19 principals and teachers on health promotion in secondary schools. 86 school principals and teachers enhanced their knowledge on and awareness of violence prevention strategies and response protocols for in-school violence.

The “Brigada SISEVE” campaign, which focuses on preventing school violence by promoting violence reporting channels among girls, boys and adolescents, reached 200,000 people nationwide.

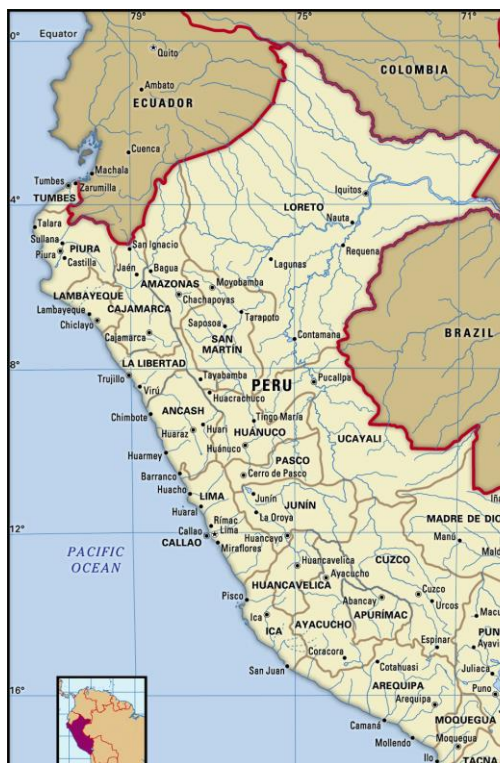

A health promotion toolkit was integrated within the comprehensive adolescent development model based on secondary schools.

A school violence prevention model was strengthened with the design of an instrument that schools can use to monitor progress on improvements in school coexistence and the reduction of violence.

The Way Forward

In collaboration with partner Zonta International, UNICEF is working to ensure that adolescents, **especially girls, in Ucayali and Huancavelica** have access to the comprehensive health care and protection services required for healthy growth and development. Utilizing new modalities of communication, UNICEF and partners are continuing to reach and train education and health personnel to better equip each with the tools required to respond to the evolving needs of adolescent girls.

Ucayali, Located in Peru's Amazon, shares borders with Loreto region to the north, Brazil to the east, Madre de Dios and Cusco regions to the south, Junín region to the southeast and Pasco and Huánuco regions to the west. With 102,400 km², Ucayali is Peru's second largest region. Ucayali has 8 provinces and 53 districts with a population of 512,376 (projected to 2018), of which 34.9 per cent (178,632) are children and adolescents.

Ucayali is culturally, linguistically and geographically diverse. There are 18 indigenous peoples living in the region who speak around 14 indigenous languages. While Peru is an upper middle income country, gaps and inequities persist. In Ucayali, the monetary poverty rate has remained consistent, ranging from 11.7 per cent to 14.5 per cent in 2013 and from 12.1 per cent to 14.6 per cent in 2017.

Huancavelica Pronunciation: [wankaβeˈlika] or **Wankawilka** in Quechua is a city in Peru. It is the capital of the department of Huancavelica and according to the 2017 census had a population of 49,570 people. The city was established on August 5, 1572 by the Viceroy of Peru Francisco de Toledo. Indigenous peoples represent a major percentage of the population. It has an approximate altitude of 3,676 meters; the climate is cold and dry between the months of February and August with a rainy season between September and January. It is considered one of the poorest cities in Peru
