September 23rd Member Meeting

6:00 PM, 5:30 PM Social Time

New Berlin Public Library
15105 W Library Ln, New Berlin

Please plan to attend our September meeting, to be held on September 23 at the New Berlin Public Library.

Watch for an email from Ruth Robertson to RSVP for our meeting and meal.

WE NEED YOU AT THIS MEETING. MEETING ATTENDEES WILL BE ENTERED FOR A PRIZE DRAWING!

As you know, our Club's Centennial Celebration is rapidly approaching on November 7, 2026. Your core planning team has been working tirelessly (and I do mean tirelessly) on planning and preparing for the event. There is a real opportunity to bring the rest of the club up to speed with our planning efforts as we need all hands-on deck to pull off this landmark celebration.

A sign-up sheet will be at our September meeting. It will include areas where those who might be willing to show their support at the event can also fill volunteer slots. Please think if you have friends or relatives that might be willing to do that.

We will be sharing an overview of the software we will be using for our ticketing and event management including our silent auction and donations. We will also share our live auction items that we need you to market to your guests. Our goal is lofty, \$100,000, but we believe the project is one that is worthy of this effort!

At our October meeting, Andi will be providing us with a preview of her presentation that she will be sharing as our guest speaker at the celebration. Our October meeting will be held at the Shorewood Public Library lower-level meeting room.

We look forward to seeing everyone on September 23rd. We welcome any and all help with setting up in advance of the meeting, around 5:30.

Celebrating 100 Years of Service, Advocacy & Empowerment

Saturday, November 7, 2026 | The Garage at the Harley-Davidson Museum

Our Centennial Celebration is quickly approaching, and we hope you are busy inviting your **family, friends, colleagues and community connections** to join us for this very special evening!

This is a milestone worth celebrating—and an important opportunity to help ensure a **stronger future for women and girls in our community**.

RESERVE YOUR TABLE TODAY!

Reservations are available online at **Zonta100.givesmart.com**.

Tickets are **\$175 per person**, and seating is limited. We are planning for **30 tables of 10**, so please encourage your guests to make their reservations as soon as possible.

When making reservations, be sure to:

- Select your **meal choice**.
- Indicate **who you would like to sit with**.
- If you are organizing a group, be sure to **put your name down as the group/table name**.

The reservation deadline is **October 16, 2026, or when we reach capacity—whichever comes first**.

Your Action: Please invite your guests now and encourage them to reserve their seats before we sell out!

♥ CAN'T ATTEND? YOU CAN STILL SUPPORT OUR CENTENNIAL!

Not everyone will be able to attend our celebration, but they can still be part of our Centennial success!

Monetary donations can be made at Zonta100.givesmart.com or through the Donate button on our website.

When you invite someone who cannot attend, please consider asking them to make a **Centennial donation** instead. We still have a **\$10,000 matching challenge** to meet, so every contribution can make an even greater impact!

Your Action: If someone can't attend, invite them to support our 100th anniversary with a donation.

📁 SILENT AUCTION — WE NEED YOUR ITEMS!

We are planning for **40–50 fabulous silent auction items**, and we need everyone's help to make the auction a success!

Silent auction items will be collected at our September 23 meeting.

Consider:

- Creating a **themed basket**.
- Soliciting a donation from a business you frequent.
- Asking a favorite restaurant, salon, retailer, service provider or other local business to contribute.
- Combining **gift cards or certificates** with other items to create a larger, more attractive package.

Your Action: Start soliciting now and bring your silent auction donations to the **September 23 meeting**.

Template solicitation letters and donation forms were emailed on June 1. If you need another copy, please let **Pam** know and we will be happy to send them to you.

🏈 LIVE AUCTION — GET READY TO BID!

We have some **extraordinary live auction opportunities** lined up for Centennial night—and you're going to want to start talking them up now!

🏈 Green Bay Packers “Rematch Game” Experience

Two tickets to the **November 15, 2026 Green Bay Packers game against the Minnesota Vikings at Lambeau Field**, with seats on the **50-yard line behind the Packers bench!** The package also includes:

- A **two-night stay at a Wild Rose cabin**, providing a comfortable getaway and avoiding the post-game Milwaukee traffic.
- **Parking at a private residence.**

This is an incredible Packers experience and a package sure to generate some spirited bidding!

Wine: **2012 Château Ausone Saint-Émilion Wine Collection**

A set of three bottles of 2012 Château Ausone Saint-Émilion wine. A wonderful opportunity for wine collectors and enthusiasts to add these special bottles to their collection.

Dining: **Exclusive Coured Dining Experience for Four**

Indulge in an exceptional **coursed dining experience for four guests**—perfect for a special celebration, dinner with friends, or a memorable evening with someone special.

Your Action: Start spreading the word! Encourage your guests—and especially your Packers fans and wine enthusiasts—to come prepared to **bid, bid, bid!**

RAFFLE — BUY YOUR TICKETS AT THE EVENT!

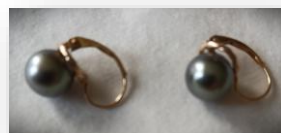

We'll also have **three exciting raffle prizes**, with raffle tickets available for purchase **at the Centennial Celebration**.

Raffle tickets:

- 1 ticket — \$20
- 3 tickets — \$50

Raffle prizes include:

-  **A beautiful handmade quilt**
-  **Pearl earrings**
-  **A signed and framed Jordan Love jersey**

Your Action: Encourage your guests to bring cash or be prepared to purchase raffle tickets at the event—and remind them that buying three tickets for \$50 gives them three chances to win!

100 LET'S MAKE OUR CENTENNIAL COUNT!

There are many ways to participate in our Centennial fundraising efforts: **fill a seat, donate, secure a silent auction item, promote our live auction packages, and purchase raffle tickets.**

Every invitation, donation, auction item and bid helps us celebrate **100 years of Zonta service while building a stronger future for women and girls.**

Let's fill those 30 tables, meet our \$10,000 matching challenge, and make our Centennial Celebration an unforgettable success!

Happy Fall fellow Zontians!

Our Centennial Gala is just around the corner. To ensure it is a great success, we need everyone to participate. We will have a volunteer sign-up sheet at the September meeting. You should have received both paper and electronic invitations. Please forward them to your friends and relatives. Our September meeting will be dedicated to sharing information about the Gala and discussing how we can make it a successful and memorable event. I hope you will be able to attend and join in the excitement!

District 6 fall conference is scheduled for October 10th in Lombard, Illinois. I've attached information regarding the conference service project. At the September meeting, we will collect the items assigned to Area 2—pads and wipes. We will also have a monetary collection to help purchase the bags. Each bag costs \$4.75. I will need to submit our pledge number shortly after the meeting, so please let me know if you are able to contribute.

Committee sign-up sheets were passed around at the August meeting, and I will circulate them again at the September meeting. Please consider volunteering for a committee that aligns with your interests and passions. Everyone is encouraged to be an active member and contribute in whatever way works best for them.

We discussed Zonta International's *Blue Print for the Future* at our August meeting. In the meantime, the U.S. Governors have been working on a proposal to reorganize the U.S. territory. I will email the proposal to all members. Please review and let me know if you have questions or comments. The Board is working on our club's response and intends to reference the Governors' proposal in that response.

I look forward to seeing everyone at the September meeting!

Respectfully submitted,
Helen Ludwig

DISTRICT 6 SERVICE PROJECT

Metropolitan Family Services DuPage Center has provided support to vulnerable families who have had nowhere to turn, helping them restore balance in their lives since 1930 with services including counseling, youth mentoring and family self-sufficiency.

Metropolitan DuPage is part of Metropolitan Family Services, which has been empowering Chicago-area families to reach their greatest potential and positively impact their communities since 1857.

We will be collecting personal hygiene items and stuffing toiletry kits for women in need.

OUR CONFERENCE GOAL IS 100 TOILETRY KITS!

In order to insure we have all the supplies needed for our 100 kits, please bring the items assigned to your area. We encourage members who are unable to attend the fall conference to send supplies with members who are attending.

Metropolitan Family Services is requesting a specific bag for their Toiletry Kits. These bags will be purchased through the Everest Trading Corp. Our representative Eddie Chung is excited to work with us. Bags are \$4.75 each and must be ordered by 9/25. Service Chair Kelly LaMore will work with the Area Directors to facilitate the orders. Questions, call Kelly at 815-953-7587.

Metropolitan Family Services encourages a personal note be added to each toiletry kit. These notes can be encouraging, inspirational, and uplifting. Notes may accompany items to fall conference. Notecards will also be available for addition at the conference.

Membership ☀️ Invite a Prospective Member!

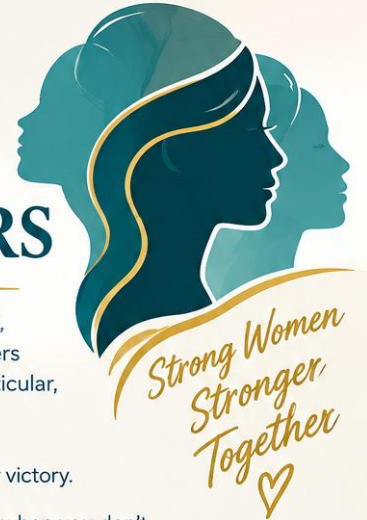

Do you know someone who might be interested in learning more about Zonta? **Now is a great time to invite them to join us!**

We anticipate that our next formal **Prospective Member Event** will **not be held until spring**, so in the meantime, please invite prospective members to attend one of our upcoming **September, October, or November meetings**. It's a wonderful opportunity for them to meet our members, learn more about Zonta, and experience firsthand what makes our club so special.

If you have someone in mind, please **invite them to a meeting and/or share their name with Pam** so she can personally follow up and provide additional information.

You never know who might be our next enthusiastic Zonta member—so don't hesitate to extend an invitation!

Ten Reasons **WOMEN MAKE STRONG LEADERS**

When Cheryl Lucas-DeBerry was Club President in 2011, she shared the following traits exhibited by strong leaders and felt they really epitomize women in Zonta and, in particular, the Zonta Club of Milwaukee.

- 1 Passion** – The main fuel that earns victory after victory.
- 2 Resilience** – You don't fail when you trip, only when you don't get back up.
- 3 Brutal Self-Awareness** – Recognition of flaws is the first step toward addressing them.
- 4 Positive mindset** – It doesn't only benefit you, it inspires other Zontians all around you.
- 5 Consensus building** – It's not enough to have good ideas, you must convince others they're beneficial and we know we are certainly good at this one.
- 6 Intuition** – Spotting trends and projecting problems puts a leader ahead of everyone else.
- 7 Focus** – Focused multi-taskers are professional warriors.
- 8 Depth of Understanding** – Those who truly explore new territory emerge as leaders.
- 9 Emotional Intelligence** – understanding the issues driving Club members and nurtures strengths.
- 10 Follow Through** – Good ideas are worthless without the determination to get "dirty" in the delivery phase.

"I am proud to work with and be associated with such strong women leaders who are making their mark on history." — Cheryl

Happy
BIRTHDAY
to these special Zontians!

Banning Child Marriage – Update

The Milwaukee Journal-Sentinel was asked if Republicans had ever voted against banning child marriage in Wisconsin. On Sept. 3rd, reporter Hope Karnopp answered “No”. Here are the main points of her response:

- “That’s because the bill has never been brought to a vote — a decision that rests with Republicans who control the state Legislature. The legislation would eliminate an exception that allows minors between the ages of 16 and 18 to get married with written consent from a parent or guardian.”
- “The bill was introduced in the 2019, 2023 and 2025 sessions. The 2019 version, when Tiffany served in the state Legislature, had two Republican cosponsors. Only Democrats have led the bill since then.”
- “Legislative records show none of the three bills got hearings or votes.”

NEW Information that we didn’t have at a Spring Workshop a few years ago:

“The Legislative Reference Bureau previously said 27 minors under 18 got married in Wisconsin in 2024, an increase from 2023.”

A State-Level Equity Referendum on November 3rd

This is the language you will see on your ballot:

“Governmental Entity Discrimination Prohibited: Shall section 27 article 1 of the constitution be created to prohibit governmental entities in the state from discriminating against, or granting preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin in public employment, public education, public contracting, or public administration?”

Supporters of the proposal have called it an 'equality amendment' and believe it will eliminate diversity, equity and inclusion or affirmative action programs in Wisconsin. (Keep in mind that Zonta International supports diversity, equity, and inclusion.)

Opponents like the League of Women Voters of Wisconsin have called the language misleading and framed it as an 'anti-equity amendment,' believing the proposal would 'obliterate' federal civil rights law.

The League believes:

- “The title and first part of the ballot question lead voters to believe that is a new law to stop government from discriminating against people. That’s misleading. Wisconsin and federal law already make discrimination illegal.”
- “So, what does this amendment intend to accomplish? It prohibits the state from granting “preferential treatment” to marginalized people. If this amendment passes, it will eliminate the equity-based gains Wisconsin has made over the last 60 years.”
- “While framed as promoting equality, this amendment would reduce Wisconsin’s capacity to address long-standing disparities. It would strip public systems of tools essential for promoting equal opportunity and equitable access to the vulnerable in our society.”

To read more about what programs could be eliminated, this is the link to the League’s page about the proposed amendment: <https://my.lwv.org/wisconsin/constitutional-corner>

Centennial History

CLUB ZONTIANS IN 2001 PREDICTED LIFE IN 2026

100 Years Young... and Still Looking Toward the Future!

Back in **2001**, our Zontians looked ahead 25 years and imagined what life might be like when the Club celebrated its **100th anniversary in 2026**.

Some predictions were remarkably optimistic. Others were wildly imaginative. And a few... well, let's just say **we're still waiting!**

PEACE THROUGH SPACE EXPLORATION

The 2001 Prediction:

Cooperation between Russia and the United States following the 1986 Challenger disaster would lead to **40 years of peace efforts between the two nations**.

2026 Reality Check:

While that prediction didn't quite unfold as hoped, there was an extraordinary example of international cooperation in space. The **International Space Station has been continuously occupied for more than 25 years** and has welcomed astronauts from around the world—a remarkable achievement in international collaboration.

OUTER SPACE: THE ANSWER TO WAR?

The 2001 Prediction:

The sooner-than-expected conquering and habitation of outer space would capture the attention of Earth's inhabitants so completely that **there would be no time for war**.

2026 Reality Check:

Well... **if only!** Humans have certainly made extraordinary advances in space exploration, but unfortunately, we haven't yet run out of time for conflict here on Earth.

CANCER & HEART DISEASE

The 2001 Prediction:

Cancer and heart disease would no longer be the #1 killers.

2026 Reality Check:

We're still working on that one. **Cardiovascular disease and cancer remain among the world's leading causes of death.** Medical science has made tremendous progress, but this prediction remains unfinished business.

EXPANDING INTO SPACE

The 2001 Prediction:

Expansion into space would help **alleviate overpopulation on Earth**.

Club Updates

ZONTA
CLUB OF
MILWAUKEE

2026 Reality Check:

No mass migration to Mars or the Moon yet! Today, discussions about population pressures focus much more on **sustainable consumption, climate change, food production and protecting the Earth's ecosystems.**

✦ Apparently, 2001 Zontians had a little more confidence in our space program than 2026 reality allows!

CLUB ZONTIANS IN 2001

SO... HOW DID WE DO?

Part 2: Milwaukee, Mars & the Future of Zonta!

Our 2001 Zontians weren't finished predicting the future! They imagined revolutionary changes in food production, Milwaukee transportation, women's participation in the workforce—and even a **Centennial celebration on Mars!**

Let's see how those predictions compare with 2026.

A NEW FOOD SUPPLY

The 2001 Prediction:

A new food supply would help turn the world economy around, making it likely that **extreme poverty would no longer exist by 2080.**

2026 Reality Check:

We're not there yet. But agriculture is changing. As climate variability increases, farmers and food producers are increasingly exploring **crops that can produce food, feed, fiber and other useful products with less water.**

THE 100TH ANNIVERSARY... ON MARS!

The 2001 Prediction:

The Club's 100th Anniversary Celebration would take place at the **Mars Hilton**, with charter flights departing the Launch Pad at 2 p.m. on January 1. The journey would include a brief layover on the Moon to see the **"Crater Grand Canyons."**

Round-trip tickets? A mere **\$2,000!**

2026 Reality Check:

Well, we're celebrating our Centennial on Earth—at **The Garage at the Harley-Davidson Museum!**

And unfortunately, there is **no lunar crater named the Grand Canyon.** The Moon does, however, have enormous canyons including Vallis Schrödinger and Vallis Planck.

As for Mars travel? Current estimates put a human journey to Mars at roughly **seven to ten months**, depending on spacecraft speed and the planets' alignment.

And that \$2,000 round-trip ticket? **Still waiting for that deal!** For comparison, early commercial space tourism flights have cost hundreds of thousands of dollars.

DOWNTOWN MILWAUKEE

The 2001 Prediction:

Downtown Milwaukee would become a thriving metropolis featuring gardens, high-tech industry, shopping, residential neighborhoods, cultural attractions, recreation and education.

2026 Reality Check:

This one wasn't too far off!

Downtown Milwaukee has experienced significant development, including **Fiserv Forum and the Deer District**, a revitalized theater and cultural scene, the Milwaukee Public Market and an expanding collection of restaurants, hotels, entertainment and residential options.

Maybe our 2001 Zontians were onto something!

MILWAUKEE: INTERPLANETARY TOURIST DESTINATION

The 2001 Prediction:

New hotels such as **Marc Plaza II** would help make Milwaukee a major **interplanetary tourist and convention city**.

2026 Reality Check:

We're still waiting for the interplanetary tourists—but Milwaukee has certainly strengthened its reputation as a convention and destination city.

Today, downtown offers a growing collection of hotels, restaurants and attractions, along with the **Baird Center and Fiserv Forum**, helping make Milwaukee an increasingly attractive destination for visitors and conventions.

THE RAPID TRANSIT AERO SYSTEM

The 2001 Prediction:

The **Rapid Transit Aero System (RTAS)** would whisk Wisconsinites to downtown attractions through a futuristic network of rooftop launch pads—eliminating auto exhaust and parking downtown.

2026 Reality Check:

No rooftop aero launch pads... **yet!**

But Milwaukee does have the **Hop streetcar**, providing free transportation to restaurants, shops, hotels, parks, entertainment and other downtown destinations.

It's not quite interplanetary transit—but we'll take it!

Club Updates

ZONTA
CLUB OF
MILWAUKEE

WOMEN IN THE WORKFORCE

The 2001 Prediction:

Since 2000, women would make up **more than 65% of the workforce.**

2026 Reality Check:

Women have continued to play an increasingly important role in the workforce, but the 65% prediction was higher than the actual figure. U.S. Labor Department data put women's labor-force participation at approximately **56.6%** in the referenced measure.

♥ AND FINALLY... ZONTA!

The 2001 Prediction:

Zonta International would grow to **90,000 members in 1,100 clubs across 75 countries.**

2026 Reality Check:

Zonta International today has **more than 27,000 members in 1,133 clubs across 62 countries.**

The numbers may not have reached the heights our 2001 Zontians imagined—but the mission continues.

👩 FROM 1926 TO 2026 - 100 YEARS OF EMPOWERING WOMEN & GIRLS

And on **November 7, 2026**, we'll celebrate that prediction coming true!

Here's to 100 years young—and to imagining what the next 100 years might bring! ♥

Call to Order

Present: Helen Ludwig, Karen Smith, Laurie Ward, Pam Knackert, Ruth Robertson, Jacqueline Beaudry, Donna Conant, Paula Fink, Patricia Knoebel, Cheryl Lucas-DeBerry, Donna Neal, Joni Reese, Christine Todd, and Dawn Zehren.

The meeting was called to order by President Helen at 6.10 pm CST.

Treasurer's Report: As of 8/1, we have \$ 7,961.17 in checking and \$ 6,204.55 in the CD. We have about \$ 3,300 in expenses coming out of the account soon. Karen brought up members absorbing the cost of the square. It is only .80 for the meeting, but it is 6.80 for the dues. Add that on top of the Pay Pal account, it adds up. Lots of discussion, but we couldn't vote because we didn't have a quorum.

International Convention report: President Helen said that it was a wonderful event. She is very excited about the new service project in Afghanistan. She is also pleased about the 3 older service projects from the last biennium.

Zonta Blueprint for the future. There is restructuring of the districts. Current structure is 32 districts. They are proposing 26 districts under the Blueprint. There was a lot of discussion on this - Member discussion included alternatives for a smaller number of districts within the US without their proposal of only having one. Members believe it will be unsustainable for the US to have 238 clubs. We need to formulate a response by October 31. It was suggested that all of our names be put on the submission. It was suggested that we submit our own responses as well.

Committee Updates: There was a committee update form passed through the meeting so people can sign up.

Committee Chairs

Public Relations – Joni Reese

Centennial Celebration – Laureen Ward, Jackie Beaudry, Dawn Zehren & Donna Neal • Centennial- Dawn is very impressed with everything being done by members!

- Pam gave a fundraising update. Each basket will be worth \$250-\$500. Bring any donations to the next meeting. Dinner out, gift cards are some suggestions.
- Invitations were distributed!!
- We have an MC, and we are hoping they will be at our next meeting.

The event will have:

- A presentation on Wellspring.
- Live music!
- A slide show presentation of 100 years of greatness!
- A photo backdrop
- A paddle raise for donations to Project Wellspring!
- Think about who you can get to volunteer at the event so we can enjoy it. We plan to have some fun social media posts before the event. Foundation.

Foundation: Displayed the Foundation certificate awarded to our club at the ZI convention for donating more than \$20K in the past biennium.
